The Nakusp and Area Development Board (NADB), in partnership with Arrow Slocan Tourism, have created this food guide to celebrate regional agriculture and create a fun (and delicious) way to explore Arrow Lakes! When using this guide, please remember that things can change. When making plans, check online and/or contact businesses to confirm operating hours.

Visit [centralkootenayfood.ca](http://centralkootenayfood.ca) for the Central Kootenay Farm & Food Directory. Many thanks to CKFPC for their work!
